

Subject: Signing up for extracurricular activities

Hello,

I would like to ask about the process for signing up to extracurricular activities at the university. I am an exchange student (starting in October) and I was amazed by the amount of activities and clubs offered by the school, it far exceeds expectations. Unfortunately, I had trouble finding further information about the clubs that interest me, including how and where to sign up for them.

Would it be possible to get any pointers? Thanks in advance.

Regards,
Lukáš Hozda
