

Subject: Signing up for extracurricular activities

Dear Mr./Mrs.,

I would like to ask about the process of signing up for extracurricular activities at the university. I am an exchange student (starting in October) and I was amazed by the number of activities and clubs offered by the school, as it has far exceeded expectations. Unfortunately, I had trouble finding further information about the clubs that interest me, including how and where to sign up for them.

Would it be possible to get some advice? Thanks in advance.

Best regards,
Lukáš Hozda

Yo, Please, tell me how do I sign up for clubs at the school. I'm an exchange student (starting in October) and was completely taken aback by how many activities there are, it is way more than I expected. Sadly, I can't find the details about the ones I like, including where and how should I sign up. Can I get some pointers? Thanks, mate.

Cheers bro,
Ya boy Lukáš
